RESPONSE

Sir:

This is in response to the Office Action dated July 3, 2007 and having a shortened statutory period for reply set to expire on October 3, 2007. The claims which were examined are not the claims which are presently on file, and which were filed in the preliminary amendment dated July 7, 2004. The Applicant therefore requests that those claims be examined, and that another Office Action be issued.

Respectfully submitted,
